## **Penny for Your Thoughts**

***Thanks to Mary Kausch for this one. Good self-disclosure in a short time.***

Ask each person to take out a coin, any denomination (or give them out). Ask them to look at the year of their coin, and then take a moment to think back to that year. What were they doing? What was going on for them? Then ask them to share one event, one thing that was happening with them during that year. (Note: If your group is on the young side you may need to supply the coins and make sure there aren't any coins with dates before they were born.)
